that this Grand Lodge to the Grand Lodge of this State. The officers thought it proper to enter into correspondence with the officers of that Grand Body and make inquiry as to the state of the Order under their immediate jurisdiction. I endeavored to do so, but received no response to my communication from these officers, and after making a second trial, with no better results, I immediately appointed F. G. M., and G. Rep. Frederic D. Stuart, of the District of Columbia, as such Committee.

On the 3d of September I received from him a full and complete report of his proceedings, showing conclusively to my mind that I had appointed the right man for the position. His reception among the brethren who belonged with us was

clattering to him as a brother and as a commissioner from this body. His report, which accompanies this document, is submitted to you for your consideration, and I trust his recommendations may be carried out. His mission I have no doubt will be the means of acquainting us with what we so much desired—a full knowledge of the feeling of the brotherhood in the Lower Provinces; and one good result we can acknowledge at present that is

that jurisdiction, present with us at this time, and in view of the great lateness of receiving his valuable report, I am unable to call your attention in detail to the many important facts that came to the knowledge of Brother Stuart during his long journey in the Provinces and Lower Canada in search of American Odd-Fellowship, together with his commendation of the members of the Manchester Unity.

During the past year I have issued dispensations, and there has been issued the following: The Grand Lodge of Nevada, Grand Encampment of Kansas; Colorado

City, Colorado; Denver Encampment, No. 2, located at Denver, Colorado; Rochester Encampment, No. 3, located at Rochester, Minnesota; St. Nicholas Encampment, No. 3, located at St. Peter's, Minnesota; Smart Encampment, located at Pictou, Nova Scotia; St. Paul Encampment, No. 1, located at Helena, Montana Territory.

In conclusion, Representatives, I extend to you all a fraternal greeting as I believe that the fraternalistic spirit which legislates for an order which is recognized by the great and the good as one productive of happiness and welfare to the human race, is the only one which can stand day before the world as one of the recognized organizations, having for its object the amelioration of the condition of their fellow men, and that the fraternalistic spirit, ever we may do with, can be done with an eye single to the welfare and prosperity of our

The report was, on motion, accepted and referred to a committee consisting of Representatives Ellis, of Maryland, Hunter, of Louisiana, and Page, of Wisconsin. After reading the report of the Grand Secretary, which was referred to the same committee as the Grand Sire's report, a recess was taken, during which time the committee of the G. L. of the State entertained the guests at lunch.

The Conference opened with religious exercises, conducted by Rev. Isaac Callard, of Cincinnati, Bishop Pierce in the chair.
